Totals	163,218	179,329	201,300	196,345	156,214	160,807	2.94%

The above chart shows a large decrease in the number of reports from 2007 to 2009. This is a result of an economic slow down and an increase in unemployment levels.

This year there is also a significant decrease in new hires filed electronically. This is a result of the New Hire direct upload application online. Employers are able to upload newly hired employees online. The new hires once reported electronically are now being filed under the internet.
